

International Project Summary

BRAZIL

COURSE FOR DERRICKMAN LEVEL

Project name: *Curso de especialização de Plataformista/Torrista*

Project type: Cooperation between SOTS and ETERJ (Escola Técnica do Rio de Janeiro)

Project Managers: Stella Aguirre (SOTS) and Inah Bragança (ETERJ)

Time period: May to December 2014

Place: ETERJ, Brazil

Summary: The partnership between SOTS and ETERJ was established with the aim of offering a course to train locals who wish to join the oil and gas market, given the growing need for qualified personnel in this important economic sector. The course was designed to meet many specific demands to build local expertise in this growing market niche, providing the skills, competence and qualifications to enter the world labor market more competitively.

Teaching was done in Portuguese, and the methodology adopted was a blend of theoretical classroom activities and online material, with support provided from lecturers at SOTS.
